
WHMIS 2015

Labelling Compliance

Two new labels for McMaster University

- 1. Supplier Label** - For containers with WHMIS 1988 labels attach WHMIS 2015 supplier labels beside current label and deface pictograms.

PRODUCT NAME: *See supplier label*
SAFE HANDLING:
Applicable PPE must be worn when working with hazardous materials
REFER TO SECTION 8 ON THE SDS AND APPLICABLE PROCEDURES
REFER TO SAFETY DATA SHEET

- 2. Secondary Container Label** - To be used on secondary containers when chemicals are decanted from their original WHMIS supplier container. Attach label and fill out product name in the space provided, i.e. Acetone.

Secondary Container Label

PRODUCT NAME:

SAFE HANDLING:
Applicable PPE must be worn when working with hazardous materials
REFER TO SECTION 8 ON THE SDS AND APPLICABLE PROCEDURES
REFER TO SAFETY DATA SHEET
