

Spill Kit Information

EOHSS is pleased to announce that Scientific Stores located in the Arthur Bourns Building (ABB) Room B166, provides supplies (pads, socks, gloves) and now has the following spill kits in stock:

Acid..... \$27.65
Base..... \$25.31
Solvent..... \$11.45

An appropriate spills kit is required for all areas where chemicals are used. Ensure you know how to clean up a chemical spill. Chemical Handling and Spills Response training is available on line and in class. Visit our website for more information including training details, or call us at extension 24352.
