

## TMG Highlights of the McMaster University Group Registered Retirement Savings Plan (RRSP)

Eligible employees newly hired to McMaster into a TMG position on or after June 16, 2009 will participate in the University's Group RRSP.

### Contributing to the Group RRSP Plan

- Members are required to contribute 3.5% of their base pay up to the Year's Maximum Pensionable Earnings ("YMPE") and 5% of their base pay above the YMPE. The YMPE for 2009 = \$46,300.
- The University matches each member's required contributions.
- Members have the opportunity to make additional Voluntary contributions provided that their total contributions to the plan in a calendar year do not exceed the Income Tax Act maximum contribution limit (the 2009 limit is 18% of earned income up to \$21,000).
- Spousal contributions are permitted.
- The University does not match employee voluntary contributions or spousal contributions.

#### Example #1

Assuming regular annual earnings of \$38,000/year.

$\$38,000 \times 3.5\% =$	\$1,330.00 Annual Employee Contributions
	\$51.15 Bi-Weekly Employee Contribution
	\$51.15 Bi-Weekly University Contribution

#### Example #2

Assuming regular annual earnings of \$57,000/year.

$\$46,300 \times 3.5\% =$	\$1,620.50
$\$10,700^* \times 5\% =$	<u>\$ 535.00</u>
	\$2,155.50 Annual Employee Contribution
	\$82.90 Bi-Weekly Employee Contribution
	\$82.90 Bi-Weekly University Contribution

\*  $\$57,000 - \$46,300 = \$10,700$

## Withdrawal of Contributions

Members are not permitted to withdraw contributions while they are employees of McMaster University.

## Transfers from Other Plans

Members are eligible to transfer in funds directly from a former employer's registered pension plan or an RRSP.

## Portability

When employment at McMaster ceases, the Group RRSP balance may be transferred to another registered plan.

## Investments

Members have the options to invest Employee and University matching contributions, and voluntary additional contributions, in a variety of investment options.

Members may:

1. Select their own investment option from a list of managers or,
2. Select a lifecycle product.
