Legend

X Mandatory

⊗ Required if working with the hazard or supervising staff who work with the hazard

~ As New products, equipment and technology take place training is required.

All training to be completed as soon as practicable upon hire and prior to working with hazard.

Supervisors may request at their discretion the worker to complete refresher training of the current health and safety courses offered by the University on a more frequent basis as is deemed necessary, ie. conditions change, new information or hazards are introduced.
